Are you planning on bringing a large group to Pigeon Forge, Sevierville, or Gatlinburg, TN? If so, let Collier Restaurant Group be the one place to call for all your dining needs. With 15 locations in the Smoky Mountains serving up breakfast, lunch, and dinner, our kitchens are open to serve you no matter what time of day. We offer group menus and rates at each of our restaurants and are located close to all shopping malls, theaters, attractions, and the Great Smoky Mountains National Park.

Since 1968

Headquartered at the foothills of the Great Smoky Mountains in Sevierville, TN, Collier Restaurant Group operates nine restaurant concepts with fourteen restaurant locations.

Locally owned and operated by Lori Collier and Elise Collier Massey, we are a third-generation family business operating since 1968. Following the example set by their father Brent Collier, Lori and Elise lead us to provide our guests with great food and great service, which can be seen daily in all of our locations in Tennessee.

Our diverse restaurant brands offer something for everyone - from a hearty breakfast at Flapjack's Pancake Cabin to an elevated dining experience at Roma Table Italian Kitchen. Additionally, we own and operate Camp RiversLanding, an RV park located in the heart of Pigeon Forge, close to where the Collier family has lived for years. As a family operated business, we've invested over fifty years in our region and we look forward to another fifty as we continue to expand and grow with new concepts.
